

This site is the way Amazon rebates a percentage of your Amazon purchases to non-profit organizations; Grand Rapids Area Swimming Pool.

Our community pool is signed up for this opportunity to help raise funds for continued operation. The next time you purchase with Amazon (and who doesn't?), put in the address as:
smile.amazon.com

After signing into your account, they ask which organization you represent. **Grand Rapids Area Swimming Pool**. You will only be asked this the first time.

This is a great way to support our pool with no monies directly coming out of your pocket. Works the same as Kroger's community supports program.

If you know other family or friends who purchase with Amazon, please forward this email to them as well

Kroger's has a Community Rewards program that let Kroger Plus Card user's designate a non-profit organization (NPO) as their sponsor. It does not cost the Kroger customer anything and that is why I have titled this Have Your Cake and Eat it Too - Giving.
