

Applebutter Fest

Always the 2nd Sunday in October
9:00 a.m. – 5:00 p.m.

Each year the village of Grand Rapids Ohio throws open its streets to guests of all ages for the Fest. This celebration of crafts, re-enactment groups and pioneer demonstrations, food, music, and of course, the traditional apple butter stir, is made possible by hundreds of volunteers in a small town of less than a thousand.

The Historical Society returns the proceeds from the Applebutter Fest to the local community. Many organizations fund their annual activities through their participation in this event.
